

Export-Import-Russia

PRLog (Press Release) - Mar 22, 2011 - Basic Products; Russia is Selling ;

1. Grain Cleaning Machines
2. Generator stations for acetylene and oxygen producing.
3. Axial and centrifugal pumps for transferring active, hostile and cryogenic liquids ; turbo-pumps for transferring oil and oil products; pumps for transferring industrial waste and sewage; rotors for turbo units; power plants for gas-distributing stations used in electrical energy production. (THE COMPLEX HAS BEEN CARRYING OUT A NUMBER OF PROJECTS WITHIN EUROPEAN UNION PROGRAMME "Takis").
4. Heavy duty mechanical presses of 125,000 kN force.
5. Engines for spacecraft and aircraft; oil and gas production (slide valves and gusher) equipment; meat-processing equipment; gas and electric stoves; medical pressure chambers; apparatus for artificial lung ventilation.
6. Automated equipment for products bagging and packing in food and processing industries.
7. Special machines for flour mills, salt industries, metallurgic equipment, etc.
8. Technological equipment for wood working industries and furniture production.
9. Technological equipment for construction companies; parts for sugar-mill equipment.
10. Water purification equipment, hydrants.
11. Automobile parts.
12. Semiconductor integrated microcircuits (large-scale and very large-scale); transistors; power-saving light sources; stabilized power sources of 100 watt capacity.
13. Electrolytic capacitors.
14. Radio communication equipment; post-guarantee radio equipment repairs.
15. Colour kinescopes.
16. Automated system of city traffic control.
17. Technological equipment for microelectronics; water purification installations by reverse osmosis; water-flow meters.
18. Medical equipment for phototherapy.
19. Radio communications equipments.
20. Tyres for all types of automobiles, agricultural machines and bicycles.
21. Medical dressing strip and antibiotics.
22. Lamps for railway transport.
23. Ladies ready-made cloths for fashion industries.
24. Industrial and household textiles: yarn, fabrics, non-woven fabrics.
25. Dairy products.
26. Meat products and sausages.
27. Wines and spirits.
28. Poultry meat.
29. Beer.
30. Flour and cereals.
31. Macaroni, vermicelli.
32. Mixed feed.
33. Aluminium alloy barrier shaped structures; windows, doors, stained glass, wall panels, etc.
34. Ferroconcrete products.
35. Steel bridge constructions.
36. Ceramic tiles, ceramic paints, etc.

37. SAP for Banking.
38. Aviation.
39. Heavy Machinery.
40. Fertilizers (urea, organic and non-organic atmosphere friendly, etc.).
41. Potatoes.
42. Wheat.
43. Feeds.
44. Iron.
45. Coal.
46. Steel.
47. Wood.
48. Automobiles (Russian and European, Both)
49. Spare parts (automobiles)
50. Oil (Crude oil, fuel, etc.)
51. Gas
52. Raw materials (chemicals, feeds, fertilizers, etc.).
53. Chemicals.
- 54. MAKE YOUR SPECIFIC REQUEST IF THE ITEM YOU ARE LOOKING FOR IS NOT MENTIONED IN THIS LIST.**
